To whom it may concern,

It has been a pleasure working with Mihail Neychev as my Publicist, Event Planner, Guests & Artist Relations Manager. Mike came onboard my team in January 2013 and has proven to be a major asset to my event management company. Mr. Neychev has a proven ability to resourcefully manage and prioritize multiple projects and tasks simultaneously, with his high level of integrity, connectedness, persistence and going beyond the call of duty. Through his PR campaigns, he helped my name brand "Golden Palm Events" gain positive media exposure worldwide. Mihail secured my media interviews at major events, with a very detailed and organized schedule. I also found Mike revealed a natural ability to write top of the line pitch letters, from every kind of angle, selling and inspiring media representatives and journalists by phone and in person to write about my company or the events my company manage. He expanded my connections with key industry professionals, both online and in person. He also worked with my personal manager, on all my business correspondence, set up meetings with companies and people, organising and coordinate events, as Moroccan Film Festival. Mihail Neychev is a strong leader who is gifted in doing business with people from different cultures, globally. He will be a valuable asset to your company, and I strongly recommend him for your available position.

Sincerely,

## Re: Letter of Recommendation for Mihail Zdravkov Neychev

Mr Mihail Zdravkov Neychev worked at Nemo Submarine Ayia Napa from 2012 to 2016 under my supervision. He was employed as a DJ, Entertainer, Animator, Magician, Social Network Manager, IT Support.

His responsibilities included but were not limited to: creating the entertainment programs for the trips; interacting with the clients in Russian and English during the trips; choosing the music during the trip dependent on the different client groups; children entertainment: doing magic tricks, creating balloon figures, being in constant contact with the little ones; creation and maintenance of the company website as well as the facebook page of the boat, including following up on feedback from clients in social media; design and print preparation of the boat paper advertisement materials; creation of pictures and video advertisement materials, etc.

Mihail showed strong skills in executing all of the above. Moreover, he is creative, responsible, communicative, resilient, reliable and stress resistant. He is initiative, attentive to details and creates good relationships with his colleagues - can work in a team as well as on his own. His added IT and English and Russian language skills have helped a lot while he was working on the boat.

I would happily re-employ Mihail as I consider him to be a valuable member of the team, who consistently achieved great results and delivered all expectations.

I remain at your disposal should you wish to discuss Mihail's application further.

Sincerely Yours,  
Antonios
